## RACE HORSE DOWNS 150, 250, 500, 521 OR 1000

The bingo event game contains instant winners, event tickets and non winning tickets. If after opening the ticket, the symbols inside the ticket match the winning combinations on the front, the player is an instant winner.

There are 120 total hold tickets, 75 of which have one bingo ball number (B1 – O75) and the other 45 are horse numbers 1-15 in Red, White or Blue (15 horses in each color).

To Play the Bingo Event Game:

- 1.To Begin: Inform the players that Race Horse Downs 150, 250, 500, 521 or 1000 with the serial # and form# listed on the ticket will be in play.
- 2.The bingo numbers drawn will determine the Race Horse Downs 150, 250, 500, 521 or 1000 horse winners and the flashboard bingo ball winners. The first vertical row completed on the flashboard will determine the horse winners. There will be one horse winner in each color and the horse numbers will each be a different downline number, one for the red horse, one for the white horse and one for the blue horse.
- 3.The Race Horse Downs 150, 250, 500, 521 or 1000 Bingo Ball winners are determined by the first vertical row completed on the flashboard. The 5 players holding the bingo ball numbers that match the 5 numbers in the completed vertical row on the flashboard win the bingo ball prizes.

To Play the Caller's Card Portion: If the designated bingo game ends before the event winner or the Race Horse Downs 150, 250, 500, 521 or 1000 horse winners are determined or the deal of tickets is not completely sold out, this game can still be played in one of two manners. Option #1 below is the preferred method of play.

- 1.Begin or continue to call balls until a winner is determined in the normal manner, or
- 2.Open the windows on this caller's card and read aloud the horse and bingo ball winning numbers. The caller's card option should only be used if all the tickets are sold out prior to playing the game.
